

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

HB 2189 – SB 2159

January 24, 2012

SUMMARY OF AMENDMENT (011207): Designates the Tennessee National Guard Armory located at 2350 Armory Drive in Murfreesboro, Rutherford County, as the *"First Lieutenant William Eric Emmert National Guard Armory."* Directs the Department of Military to erect suitable signs or affix suitable markers. Designating such signs shall be erected only if the cost of the manufacture and installation of such signs is paid to the Department from non-state funds within one year of the effective date of this act. Requires the Department to return any unused non-state funds received to the person or entity paying for such signs within 30 days of the erection of such signs.

FISCAL IMPACT OF ORIGINAL BILL:

Other Fiscal Impact – The one-time cost of \$4,250 to manufacture and erect appropriate signage will be paid from federal funds. There will be no fiscal impact to state or local government.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Other Fiscal Impact – The increase in expenditures of \$4,300 to erect the signage will be reimbursed to the Department of Military through non-state funds. These funds could result in a permissive increase in local government expenditures, federal expenditures, or non-public expenditures.

Assumption applied to amendment:

- The Department of Military assumes the words "National Guard Armory" is already in place on the building. Presuming "First Lieutenant" is abbreviated to "1LT" and the designee's middle name is abbreviated "E.," the cost for 17 letters would be a total of \$4,250 (\$250 per letter x 17 letters).

The information contained herein is true and correct to the best of my knowledge.
